## ABOUT THE HEALTHY MINDS COMMUNITY PROGRAMME

The Healthy Minds Community Programme is completely free and works to support local residents to reconnect with their interests and goals by engaging in meaningful activities. With the support of our team you can begin to reclaim ownership of your life by connecting with likeminded people and finding out what your local community has to offer you.

We've been collaborating with local people and organisations in Camden to create an inclusive programme for everyone. If you live in Camden, are 18+ and are looking for a supportive environment to get involved in community activities then this programme is for you! Even if you're not sure what you want to do, need help with building your confidence, or have felt quite isolated for a long time, we can support you to build positive connections with your local community.

The programme is designed to be flexible which means you can mix and match activities and tailor your experience to your own interests.

**All activities are space limited so you will need to book your space with the team in advance.**

## HOW TO JOIN THE HEALTHY MINDS PROGRAMME

**This programme is free for anyone over 18 living in Camden.**

**You can refer yourself or be referred via an organisation.**

**You can join the programme by filling out an online Reach Out referral form, which you can find on their website: <https://reachoutcamden.co.uk/>**

**If you have any questions, you can phone Reach Out on 02072418984**

**You can also drop into a Coffee Morning 11am-12.30pm on the first and third Thursday of each month, and a member of our team can fill out a referral with you.**

## SUPPORT

Our activity-based well-being groups are the perfect place for you to come and engage with a new activity without the pressure of making those initial conversations. They are safe places where relationships occur organically. We never pressure you to participate in anything you do not want to, and if you've just turned up for the activity and are not looking to make friends, that's fine too! We want you to come as you are.

### **Volunteer support:**

To make our spaces as open and accessible as possible, our volunteers will be on hand to welcome you. We train our volunteers in mental health awareness and trauma-informed practice, so you will always have support when attending one of our groups.

### **Coffee Mornings (1st & 3rd Thursday of each month)**

Our coffee mornings run twice a month to provide members an opportunity to check in with the team regarding goals, hear about upcoming activities and offers, meet other Healthy Minds members and share learning and tools.

Coffee mornings are at 11am-12:30pm. Drop-in and say hello!
